

ES18 Slim Line Merchandiser

- A 24" deep footprint allows the Slim Line to fit into standard shelving systems.
- Completely removable refrigeration pulls-out from the front of cabinet for ease of service.
- CFC-free R134a refrigerant.
- CFC-free polyurethane foamed-in-place insulation.
- Unique insulating features reduce energy consumption.
- Service valve on condensing unit allows easy diagnosis and repair.
- Concealed temperature control to reduce tampering.
- Triple pane insulating safety glass.
- Door hold-open device for loading.
- White, scratch resistant aluminum interior.
- Stainless steel floor with drain.
- Side panel graphics and fully illuminated point-of-purchase sign.
- Recyclable Easy-Glide shipping pods and low bulk packaging for ease of disposal.
- Heavy-duty, epoxy coated shelving adjustable in 1/2" increments.
- Unique door rail assembly insulates better and operates quieter, featuring long-life nylon rollers.
- Premium, long-life bearing motor.
